There are two conference call for submissions that may be of your interest.

## Consciousness Reframed 9: Vienna, 3–5 July 2008

Consciousness Reframed is an international research conference that was first convened in 1997, and is now in its 9th incarnation. It is a forum for transdisciplinary inquiry into art, science, technology and consciousness, drawing upon the expertise and insights of artists, architects, performers, musicians, writers, scientists, and scholars, usually from at least 20 countries. Recent past conferences were convened in Beijing <<http://www.planetary-collegium.net/conferences/detail/200411>> and Perth <<http://dbs.ilectures.curtin.edu.au/ilectures/ilectures.lasso?skip=0&ut=9&date=yes&ahead=0&cnt=15&prl=1&srt=ascending>> Western Australia. This year, the conference will be held on the main campus of the University of Applied Arts Vienna, Austria. The conference will include researchers associated with the Planetary Collegium <<http://www.planetary-collegium.net/about/>> , which has its CAiiA- hub at Plymouth and nodes at the Nuova Accademia di Belle Arte, Milan, and the Zürcher Hochschule der Künste, Zürich.
