Subject: Re: traces of the spiritual (art exhibit)

Friends,

I would like to bring your attention to an art exhibit called "traces of the spiritual" at the Haus der Kunst museum in Munich. It's opening today! I discovered it while visiting France last week (it was at the Pompidou) ... Get the English site of the museum unless you are lucky enough to speak German:

<http://www.hausderkunst.de/>

Enjoy

Julio
