

Dear friends

I just read this article in the Wall Street Journal this morning and feel it will be of interest to many of you. It is about the role and situation of race in religion in America today with clear implications for the design and thinking of their building counterpart.

<http://online.wsj.com/articles/a-church-of-many-colors-the-most-segregated-hour-in-america-gets-less-so-1413253801>

Additionally, a few meetings (the first is far away and occurs too soon to act if you live far away, but we have many acs members in Europe and elsewhere that may be able to get to these places)

**International Symposium on "OBJECT and PERSON : transhumanism, animalism, metaphysics of the person, and emergence of the self"
Conference**

16th to 18th October 2014
Aix en Provence, France

Website: <https://drive.google.com/file/d/0B1rmYBut0nEJbjBIbWIXNzBRYIk/edit?usp=sharing>
Contact person: bruno langlet

SEMa is organizing an international symposium on the topic of Object and Person in contribution to the profound and overall renewal of the relatively technical metaphysics sub-field of personal identity and of personal ontology.
